The candidate should have strong language proficiency along with a practical understanding of automotive /manufacturing terminology.

What you'll do

- Facilitate verbal and written communication between Korean-speaking and local stakeholders.
 - Interpret during meetings, discussions, shop-floor interactions, trainings, and review sessions.
 - Translate documents such as emails, reports, manuals, and presentations with accuracy.
 - Support Korean expatriates and local teams in day-to-day operational communication.
 - Assist in coordination between production, quality, supply chain, and technical departments where needed.
 - Maintain confidentiality and professionalism in all communication.
 - Ensure clarity, accuracy, and cultural appropriateness in interpretation.

What we are looking for

- Proficiency in Korean and English (speaking, reading, and writing).
- Experience working as an interpreter or translator in the automotive or manufacturing sector.
- Understanding of basic technical and operational terminology used in production environments.
- Strong interpersonal and communication skills with attention to detail.
- Ability to work in a fast-paced environment with multi-cultural teams.
- Bachelor's degree in Language Studies, Business, Engineering, or related fields.

What we offer

- A competitive salary and range of benefits.
- Be part of worldwide team with very big challenges ahead, which bring huge development opportunities for people with big career goals.
- If you enjoy working in a fast-paced environment then look no further.
- We are an equal opportunity employer where inclusion matters; this is evidenced by us being a Disability confident Committed Employer.
