Assembly Operator

Full Time - Wiring Harness - PKC Group - Panevėžys, Lithuania

At Motherson, we're committed to creating long-term jobs and advancing global careers. Featured on TIME's World's Best Companies list, we are a diversified global design, engineering, manufacturing, assembly and logistics specialist, delivering full-system solutions to customers across industries. With a focus on innovation, quality and sustainability, we strive to be a trusted industrialisation partner and an employer that nurtures a diverse, inclusive workplace.

Our Wiring Harness division powers vehicles, machinery, and equipment across automotive and non-automotive sectors. We design and produce reliable wiring systems for seamless power and data transfer. Join us to work with experts, leverage advanced technology, and shape the future of connectivity.

What you'll do

What you will do?

- Working with electrical wiring products
- Wire preparation and kitting
- Simple assembly tasks
- No experience required – full training provided
