What you'll do

We are looking for an experienced procurement professional to support indirect purchasing activities across European locations and contribute to strategic sourcing initiatives.

- Manage indirect purchasing activities for assigned plants within the region.
- Develop supplier strategies and identify synergies across plants and suppliers.
- Drive cost reduction through negotiations, standardization, and process improvements.
- Align regional purchasing requirements with global procurement strategies.
- Ensure implementation and compliance of corporate contracts.
- Support new program launches and achieve purchasing targets related to cost and timing.
- Utilize SAP purchasing tools and sourcing methodologies in line with company procedures.
- Monitor market trends and supplier performance to ensure supply continuity.
- Collaborate with suppliers and cross-functional teams to improve overall performance.

What we are looking for

- 3–5 years of purchasing experience in an industrial environment.
- Experience in contract negotiation, supplier management, and indirect procurement categories.
- Strong understanding of sourcing strategies, market analysis, and cost optimization.
- Knowledge of purchasing financials, budgeting, savings calculations, and data analysis.
- Understanding of commercial and legal aspects of procurement.
- Experience with supplier relationship management.
- Advanced English communication skills.

What we offer

- A positive and collaborative working atmosphere, fostering personal growth and team spirit.
- Strong career development opportunities in a dynamic and supportive environment.
- A chance to build expertise through exciting, diverse, and challenging assignments.
- A people-first culture rooted in our core values: Mutual Interest, Togetherness, Trust, Respect, and Enthusiasm.
