Full Time - Integrated Assemblies - Motherson Sequencing and Assembly Services (MSAS) - Sterling Heights, USA

At Motherson, we're committed to creating long-term jobs and advancing global careers. Featured on TIME's World's Best Companies list, we are a diversified global design, engineering, manufacturing, assembly and logistics specialist, delivering full-system solutions to customers across industries. With a focus on innovation, quality and sustainability, we strive to be a trusted industrialisation partner and an employer that nurtures a diverse, inclusive workplace.

Our Integrated Assemblies division leads in automotive innovation, specialising in premium module assembly and cockpit module integration. We collaborate with customers to deliver cutting-edge solutions supporting electrification. Join us to work with advanced technology and shape the future of automotive innovation.

## Что вы будете делать

- Implement and optimize manufacturing processes to improve efficiency, quality, and output. Develop and maintain standard operating procedures (SOPs) to ensure consistent and high-quality production. Identify and implement lean manufacturing principles to minimize waste and enhance productivity.
- Lead a team of production staff, providing guidance and support. Establish performance metrics and KPIs to measure team and departmental performance. Promote a culture of safety, quality, and continuous improvement within the manufacturing teams.
- Identify cost-saving opportunities within the manufacturing functions.
- Analyze expenses and budgetary requirements to maintain cost-effective operations.
- Ensure compliance with all relevant industry standards and regulations. Implement and enforce safety protocols and procedures to maintain a safe working environment.

## Кого мы ищем

- Bachelor's degree in relevant field (e.g., Operations Management, Engineering).
- Proven experience in manufacturing operations, with a minimum of 7 years in a leadership role.
- Knowledge of lean manufacturing principles and process improvement methodologies.
- Operational knowledge of Production methods (Kanban, 5S, Hoshin, TPM, GPAO).
- Results driven for optimizing manufacturing processes and ensuring efficient logistics operations.
- Fluent English language; written and spoken.

## Что мы предлагаем

- Comprehensive benefit package.
- We show our commitment to our people via the following values:

Interest for each other: We act with empathy and care about each other and our counterparts.

Together: We work together collaboratively and selflessly.

Trust: We say what we mean, keep our promises, and treat others with respect.

Respect: We respect and value people of all backgrounds.

Enthusiasm: We are curious, ambitious, passionate, humble, and life-long learners.
