

Engineering & Technical

Experienced

Project Engineer

Full Time - Sterling Heights, USA

The Motherson Group is one of the 15 largest and fastest growing full system solutions providers to the global automotive industry, serving multiple further industries, such as rolling stock, aerospace, medical, IT, and logistics, with over 190,000 employees across 44 countries worldwide.

Our plant located in **Sterling Heights, MI** is looking for a highly motivated and results-driven **Project Engineer** to join our team!

The role of the **Project Engineer** is to coordinate the integration of proposals of customer and SAS into our internal change database and administrate material master data of productive materials in SAP.

Что вы будете делать

- Lead and implement customer and internal changes using the EC/ECM database.
- Act as the SAP champion for Material Management, BOMs, and routings (MM, DB, CA).
- Organize and lead cross-functional Engineering change meetings.
- Ensure preparedness and adherence to the ECM system, including cost analysis for change requests.
- Lead customer meetings, expediting communication with the plant as the change owner.
- Guide internal departments through the EC management process and associated costs.
- Inform SAS departments about SOP dates based on customer information.
- Monitor and respond to specific customer requirements promptly.
- Assist with additional assigned tasks.
- Partner with Sales for financial success in Engineering change management.
- Own the Pilot build process, including production schedule and part availability.

Кого мы ищем

- Bachelor's degree in Engineering
- 2+ years of experience in an industrial environment (ideally in the automotive industry)
- Knowledge of quality system (ISO TS/IATF 16949, VDA standards)
- Knowledge and use of MS Office, MS Win7, SAP
- Knowledge of logistic processes in JIS environment
- Knowledge of methodology and principles of change management

Что мы предлагаем

- A pleasant working atmosphere, with good career opportunities.
- Build knowledge with varied and exciting assignments.
- We show our commitment to our people via the following values:

Interest for each other: We act with empathy and care about each other and our counterparts.

Togetherness: We work together collaboratively and selflessly.

Trust: We say what we mean, keep our promises, and treat others with respect.

Respect: We respect and value people of all backgrounds.

Enthusiasm: We are curious, ambitious, passionate, humble, and life-long learners.
