Full Time - Integrated Assemblies - Motherson Sequencing and Assembly Services (MSAS) - Sterling Heights, USA

At Motherson, we're committed to creating long-term jobs and advancing global careers. Featured on TIME's World's Best Companies list, we are a diversified global design, engineering, manufacturing, assembly and logistics specialist, delivering full-system solutions to customers across industries. With a focus on innovation, quality and sustainability, we strive to be a trusted industrialisation partner and an employer that nurtures a diverse, inclusive workplace.

Our Integrated Assemblies division leads in automotive innovation, specialising in premium module assembly and cockpit module integration. We collaborate with customers to deliver cutting-edge solutions supporting electrification. Join us to work with advanced technology and shape the future of automotive innovation.

## Что вы будете делать

- Lead and implement customer and internal changes using the EC/ECM database.
- Act as the SAP champion for Material Management, BOMs, and routings (MM, DB, CA).
- Organize and lead cross-functional Engineering change meetings.
- Ensure preparedness and adherence to the ECM system, including cost analysis for change requests.
- Lead customer meetings, expediting communication with the plant as the change owner.
- Guide internal departments through the EC management process and associated costs.
- Inform SAS departments about SOP dates based on customer information.
- Monitor and respond to specific customer requirements promptly.
- Assist with additional assigned tasks.
- Partner with Sales for financial success in Engineering change management.
- Own the Pilot build process, including production schedule and part availability.

## Кого мы ищем

- Bachelor's degree in Engineering
- 5+ years of experience in an industrial environment (ideally in the automotive industry)
- Knowledge of quality system (ISO TS/IATF 16949, VDA standards)
- Knowledge and use of MS Office, MS Win7, SAP
- Knowledge of logistic processes in JIS environment
- Knowledge of methodology and principles of change management

## Что мы предлагаем

- A pleasant working atmosphere, with good career opportunities.
- Build knowledge with varied and exciting assignments.
- We show our commitment to our people via the following values:

Interest for each other: We act with empathy and care about each other and our counterparts.

Together: We work together collaboratively and selflessly.

Trust: We say what we mean, keep our promises, and treat others with respect.

Respect: We respect and value people of all backgrounds.

Enthusiasm: We are curious, ambitious, passionate, humble, and life-long learners.
