Experienced

Senior Financial Manager

Full Time - Integrated Assemblies - Motherson Sequencing and Assembly Services (MSAS) - Troy, USA

At Motherson, we're committed to creating long-term jobs and advancing global careers. Featured on TIME's World's Best Companies list, we are a diversified global design, engineering, manufacturing, assembly and logistics specialist, delivering full-system solutions to customers across industries. With a focus on innovation, quality and sustainability, we strive to be a trusted industrialisation partner and an employer that nurtures a diverse, inclusive workplace.

Our Integrated Assemblies division leads in automotive innovation, specialising in premium module assembly and cockpit module integration. We collaborate with customers to deliver cutting-edge solutions supporting electrification. Join us to work with advanced technology and shape the future of automotive innovation.

Что вы будете делать

Responsible for accounting and financial controlling activities for an automotive supplier across the Americas region, providing a consolidated view of financial performance. Perform finance and asset accounting activities, identify risks and opportunities, and support financial optimization through recommendations. Establish and maintain internal controls, ensure compliance with financial procedures and regulations, and monitor plant financial performance. Manage accounting activities for North American operations, ensuring accurate financials, compliance with accounting and tax regulations, and timely tax payments. Implement and monitor financial procedures aligned with corporate policies, ensure site compliance, and develop finance protocols, including spending authorizations. Requires 10-15% domestic and international travel.

Кого мы ищем

Bachelor's degree in Finance, Accounting, or related field (or foreign equiv.) plus 3 yrs of controlling experience in a plant environment. Exp required in finance management, budgeting, forecasting, variance analysis, financial reporting, plant finance operations, month/year-end close, audits, regulatory compliance, manufacturing cost structures, financial analysis, problem-solving, trend identification, strategic recommendations, and Microsoft Excel for analysis, modeling, and reporting.

Что мы предлагаем

- A pleasant working atmosphere, with good career opportunities.
- Build knowledge with varied and exciting assignments.
- Be part of a values-driven culture based on Interest for each other : Togetherness, Trust, Respect, and Enthusiasm.

LOCATION OF EMPLOYMENT: 2800 Livernois Rd, STE 570 Bldg E, Troy, Michigan 48083
